Prepare yourself for a guided tour through the most incredible scientific mysteries of the world. More than two million people have seen David Wilcock’s incredible tour of the 2012 prophecies in his Internet documentary, The 2012 Enigma, and his appearance on the History Channel show Ancient Aliens has been memorable. Now, he expands his vision with a cutting-edge investigation into alternative sciences with deep insights into what is coming in our immediate future. A stunning synthesis of hidden science and lost prophecies, The Source Field Investigations exposes DNA transformation, wormholes, ancient conspiracies, the Maya calendar, and a new model of galactic energy fields triggering mental, biological, and spiritual evolution. Unlike the apocalyptic viewpoints depicted in big-budget disaster films, Wilcock believes that 2012 will be a watermark for widespread acceptance of a greater reality and here, he lays out the blueprints for such a Golden Age.
